Roads Hotline Phone Number: 780.525.8475

Currently all Alberta-Pacific Forest Industries Inc. roads are open to industrial use with approved road use industrial agreements. Approved users are required to use best practices to avoid damage to Alberta-Pacific Roads. Associated costs of road damage will be passed on to the road user responsible for the damage. Alberta-Pacific retains the right to shut down activities on Alberta-Pacific roads. Please monitor this hotline for pending spring timing and weight restrictions.
